.....

The Plaza & Amphitheatre are situated in the centre of the campus, providing a versatile open space for gatherings and outdoor events.

The Plaza is a paved space of approximately 1000 square metres which is provided shade from a combination of several plane trees situated within the space, 5 permanent outdoor market umbrellas and an expansive curved colonnade.

Outdoor tables and seating is available all year round to provide a café style atmosphere. This area has a central focus and is located close to the tiered amphitheatre which can accommodate bands, speakers, actors and music groups.

The space is suitable for facilitating small vehicles, portable structures such as marquees and stalls, and other event attractions.

With the Plaza & Amphitheatre layout and features creating a dynamic and interesting space, additional points of interest can be added to enhance the atmosphere. These can be things such as a mobile clown troupe, balloon artist, busker or something of an activity such as a rock climbing wall.

There are many ways to utilise the Plaza & Amphitheatre space including fairs, fetes, food events, open space entertainment, specialty trading, fundraising, sports & hobby pursuits requiring dedicated spaces, and even celebratory events and receptions.
