# CLASS OF 2019 LEARNING ACHIEVEMENTS

In 2020, there will be much to celebrate as we reflect upon and commemorate the first 30 years of Cornerstone College.

The learning achievements of our students is one important ongoing aspect of our community that provides satisfaction and inspiration in our daily work.

It is a privilege to experience the effort, persistence and dedication of students and staff to enable high quality learning to occur, and to provide hope and opportunity for the future.

There is no doubt that the guidance and care of the parents and caregivers of our students has been instrumental in their child(ren)'s accomplishments.

The learning achievements of our Year 12 students is one indication of the College's success in living out our mission.

We are delighted to share the impressive results of the Class of 2019.

LUCY HEINRICH  
DUX  
with an ATAR of

**98.95**

MADISON ANNING  
PROXIME ACCESSIT  
with an ATAR of

**98.35**

- Electrical
- Plumbing

All our dreams can  
come true, if we  
have the courage to  
pursue them.
