Temporary Changes to DfE Bus Services in 2021

Occasionally, the timetable for the Department for Education (DfE) School Bus Services will be changed in response to significant events. For example, often the bus services depart 'earlier' in the afternoon on the last day of Terms 1 and 3.

Any changes to the timetables will be communicated to the school community in advance via the *connections* newsletter and the College website. Students will also be informed via their daily notices.

Please note the dates we are currently aware of for 2021 which affect the DfE Bus Services are:

Term 1: Friday, 9 April (Last day of Term 1)

Term 3: Friday, 24 September (Last day of Term 3)

- All DfE buses will depart 1hr earlier than normal.
- The Cornerstone Shuttle Bus will DEPART EARLY at 2.21pm SHARP.
- Please provide a diary note for students to leave early and sign out at their Student Reception area or arrange alternative transport from the College.
